3

BEAST ART

To kick off Year of The Rhino, we invited the school community to design rhino and oxpecker silhouettes. We then crafted these into an artwork that now hangs in the hallway of our school [here]. Use these images to create your own artwork.

5

BEAST BROADCAST

We created an educational, fun video about rhinos, narrated by a student, and showed it in our classrooms. Watch and share with friends and family, or create your own!

BEAST DRIVE

Each Spring, we hold a Cinco de Rhino spare-change drive to benefit the International Rhino Foundation. Gathering up the school community's spare change to benefit animals is a great way to end the year.
